Cardmembership isn't just about how you spend your money—it's about how you spend your life. You'll have access to an exclusive collection of benefits and services you won't find anywhere else:

New, bigger airline discounts—for you *and* a friend.

You'll get five Travel Savings Certificates.* Three for roundtrip Coach class tickets anywhere Continental Airlines or Continental Express flies within the 48 contiguous United States (except Florida between February 12–April 30 and between June 15–August 25, 1995). You'll also save with a special Florida Certificate valid between February 12–April 30 and between June 15–August 25, 1995. *You'll pay just $239 for roundtrip Coach class travel between Florida and other destinations on the east side of the Mississippi, $299 between Florida and destinations on the west side of the Mississippi.*

You'll get an International Certificate worth *$50 off an international roundtrip Coach class fare of $400 or more; $75 off a roundtrip Coach class fare of $600 or more.*

And you can bring along a friend for the same low price you pay when you buy the tickets with the Card.

Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

Wild Should Wild Remain.

"Man always kills the thing he loves, and so we the pioneers have killed our wilderness. Some say we had to. Be that as it may, I am glad I shall never be young without wild country to be young in."

ALDO LEOPOLD

"We need wilderness preserved—as much of it as is still left, and as many kinds . . . It is important to us . . . simply because it is there—important, that is, simply as an idea."

WALLACE STEGNER

"The love of wilderness is more than a hunger for what is always beyond reach. It is also an expression of loyalty to the earth, (the earth which bore us and sustains us), the only home we shall ever know, the only paradise we ever need—if we had the eyes to see."

EDWARD ABBEY

"The clearest way into the Universe is through a forest wilderness."

JOHN MUIR

HAIR

BY MOLLY CURRAN

Get up. Jump in the shower (maybe). Race to class. Go home. Change your clothes (maybe). Dash to work. Go home. Study, study, study some more. Go to sleep (maybe). Say, when's the last time you had a haircut?

A haircut? What's that, you ask? Sure it's been a while, but you remember the stuff on top of your head—that mass of protein (among other things)—protecting your scalp. Could it stand a little attention?

Choosing the right place to get a haircut and the right person to do the honors can be difficult, especially if you're either attending college out of state or just too far from your regular clip joint back home. Here are a couple ways to help avoid a hairy experience during your next trip to the barber or salon.

- Be realistic when choosing a style. Both men and women can look through magazines for inspiration. But pay attention to the length and texture of the hair you like. Stick with the type of hair similar to your own, unless you're willing to chemically change your hair.
- If you see someone on campus or around town with a great cut, ask the name of his or her salon and stylist.
- Going for something a bit more drastic than just a little off the top? If you're thinking about perming or changing the color of your hair, ask the salon you're considering for a free consultation with one of the technicians. If this request is denied you might want to take your business somewhere else.
- Don't let anyone talk you into something you're even the slightest bit apprehensive about. It's your head, your money and your time—probably months to grow out a science project that used to be your hair. A good technician or stylist won't try to talk you into something you don't want, no matter how *of the moment* blue hair is.
- The condition of your hair reflects your well-being; your health, your diet and personal hygiene, as well as your personal style. If you're tired of the *look* of your hair, but not the style and want a change without a cut, salons offer a variety of products designed to improve the appearance of your hair from the outside—you control the other things.

If you still think it's easier to go without the basic trim than to gamble with a new salon or barbershop, try walking by a couple places you're considering and rely on your impressions. Also, places such as your college course directory advertise salons which may offer coupon specials or student discounts, a great way to get acquainted with a new salon.

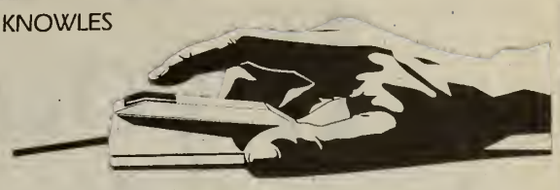
COMPUTERS

BY CLAY KNOWLES



Computers are like cars. Everybody's got different needs. Some people want speed, some size. Some want all the bells and whistles, others just need something to get them from point A to point B.

With this in mind, the best thing to do when considering the purchase of a computer system, is figure out the following: 1) What do I want a computer for in the first place? Do I want it for word processing, games, Computer Aided Design (CAD), Spreadsheets, Databases, etc.? And 2) once you know what you want to do with it, what software do you want to do it with? By establishing these two criteria, you'll be able to determine, much more easily, what computer to buy, because the software you choose will have basic requirements of your system. Larger, more complicated programs like CAD and some Windows programs will require more memory and larger hard disk space.

Once you know what your needs are and what software you want, you should give serious consideration to the following hardware options and how they can effect your system:

RAM (Random Access Memory): Without getting too technical, this is basic working memory of your system. Again, the software you use will effect how much RAM you need. If you're planning to use Windows software you should have at least 4MB (megabytes). If you have 8MB or 16MB your machine can work more efficiently, especially if you are running multiple operations simultaneously. In general, more is better. 4MB should be fine for basic Word-processing or Spreadsheets in Windows.

Hard Disk/Drive: This is the drive that keeps all of your favorite programs loaded and ready to go on your system. The bigger the Hard Drive the more programs you can keep at your finger tips. The more sophisticated programs being developed today are bigger and can take up a lot of space. Just a few Windows programs and a couple of games can eat up 100MB of space. If you're going to run Windows and plan on keeping up with new releases, a 300 MB or bigger Hard Drive is a good place to start.

The CPU and Clock Speed: The CPU is the Central Processing Unit and the Clock Speed is the speed at which it runs. You may have heard of a 386 or a 486 machine. This is in reference to the CPU. The software you choose to run on your machine will have requirements as to which type of CPU to use and possibly the clock speed at which it runs. In general, the faster the CPU and the Clock Speed the more efficient your computer will be at running your software. A 486 machine is a good place to start for running Windows software.

So when you're ready to buy, remember, computers are like cars. Take your time. Shop around. Talk to friends who already own one. Read the computer magazines. And most importantly, take 'em for a test drive.

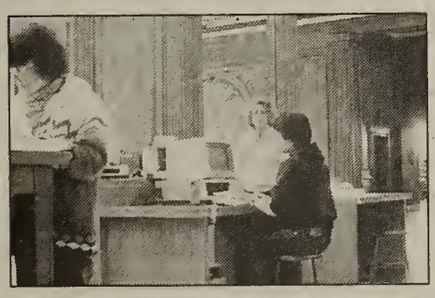
The University of Illinois



U OF I DIRECT

Welcome To U OF I DIRECT Registration

Summer session 1995 and fall semester 1995 mark the implementation of U OF I DIRECT, the University's new on-line computer registration system.

When you use your Network ID (formerly ph-alias) and password to access U OF I DIRECT from personal computers at multiple locations on campus (or via dial-up with modem), you will be welcomed to U OF I DIRECT registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

A registration checklist and Schedule Planning Form, included in the *Timetable*, will help you develop your schedule before you log onto U OF I DIRECT.

You will be assigned an Earliest Registration Time (ERT) based on the number of hours/units completed or in progress, according to campus policy. Through U OF I DIRECT you can:

- register and add/drop classes
- update your address and telephone information
- provide information on appointment/graduation status
- request information on vehicle registration, etc.
- obtain a copy of your early registration schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the U OF I DIRECT system to register in one of these classes.

The U OF I DIRECT system will control for ERT; class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to U OF I DIRECT to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. **If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled.** You can avoid having your course registration cancelled by resolving encumbrances.

Finally, the U OF I DIRECT Assistance Center will be available from 8:30 AM until 4:45 PM Monday-Friday in B-3 Coble Hall (enter north side of Coble). If you need information or assistance using U OF I DIRECT, call 333-6565.

Introduction to the *Timetable*

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition and fees and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. The information contained in the course listings is correct as of Feb. 17, 1995. Updated information on course offerings is also available by checking *Timetable* course section information on the World Wide Web, from college and departmental advisers, and in postings during the Early Registration Period at the Illini Union information desk, the Undergraduate Library CCSO site, and the Main Library Reference Desk.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- impose enrollment requirements and prerequisites,
- reassign students to other sections in a course,
- withdraw students from certain courses or sections after enrollment,
- cancel course offerings or sections for legitimate educational reasons.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

Student Responsibility

- You are responsible for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.
- **U OF I DIRECT is the UIUC system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.**
- **Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law.**
- As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and at Window 25, 100 Henry Administration Building.

The Office of Publications/Office of Public Affairs at the University of Illinois at Urbana-Champaign contracted for publication of the *Timetable*.

Registration Procedures

1. Earliest Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned an Earliest Registration Time (ERT), according to priorities established by campus policy. The ERT is the first time a student can access U OF I DIRECT registration for the term. You will be informed of your ERT in your Invitation to Register from the Office of the Registrar, mailed to your local address, approximately two weeks before the start of the Early Registration Period. If you did not receive this mailing, please go to Window 25, 100 Henry Administration Building.

Within each priority grouping, ERTs are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly.

Early registration is not mandatory. By registering as early as possible, you enhance the possibility of getting the courses and sections you prefer. Thus, you should register as close to your ERT as possible. You can use U OF I DIRECT as often as you wish after your ERT to make course adjustments—subject to campus/college policies and deadlines.

2. Eligibility to Register

In general, students currently enrolled in UIUC degree programs can register early. You may not register early if you are a student newly admitted to a UIUC degree program. Information about your initial registration procedures will be included in your Notice of Admission.

3. Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using U OF I DIRECT to register. An advising hold may be placed on your record if you are in a college/department in which advising is a mandatory prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using U OF I DIRECT. For additional information on the advising hold, please contact your college office.

4. Encumbrances

Academic and administrative offices may place encumbrances on your record for academic reasons, funds owed to the University, judicial reasons, and for failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to Register, on your Official Class Schedule and each time you access U OF I DIRECT. An encumbrance will not prohibit you from participating in Early Registration. You can continue to use the system to make course changes until your Official Class Schedule is mailed to you approximately three weeks prior to the beginning of the term.

After the Official Class Schedule is mailed, however, all encumbered students will be blocked from access to the U OF I DIRECT registration sequence. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. **Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.**

5. Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

6. "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Earliest Registration Time. If you meet the enrollment requirements for the course, the department will authorize you on-line to enroll in the course. You, in turn, must register for the course using U OF I DIRECT.

7. Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

Fall and Spring Terms

Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours

Summer Term 1

Undergraduates	4 hours
Graduate, Vet Med, Medicine	1½ units (6 hours)
Law	6 hours

Summer Term 2

Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

U OF I DIRECT will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your financial aid status, progress towards a degree, or visa status if you are an international student. Full-time enrollment for undergraduate students is 3 or more hours; for graduate students, ½ or more units in Term 1. Full-time enrollment for undergraduate students is 6 or more hours, for graduate students, 1½ or more units in Term 2.

8. Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or E.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C or better are required to earn credit.

The credit-no credit option is not available on U OF I DIRECT. Should you wish to elect this option, please consult your college office.

9. Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at UIUC and who wishes to be considered for admission to another undergraduate college at UIUC. Intercollege transfer applicants are considered on the basis of the intercollege admission requirements of the new college and availability of space in the chosen programs. This policy does not apply to the Graduate College or professional college.

The campus has designated two periods each term for intercollege transfer. They are:

- **Two weeks prior to the beginning of Early Registration Period for each term. Curriculum changes will not be allowed after early registration begins.**
- **One week prior to the start of instruction for the term and through the first week of instruction.**

If you intend to apply for intercollege transfer, you should do so within these designated time frames. **Your access to certain courses is dependent upon your college of enrollment.**

10. *Student Health Insurance*

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be equivalent. Request for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See Student Health Insurance Plan section in the* Timetable *for deadline dates and instructions.

How to Use the World Wide Web *Timetable*

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World-Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- Timeliness: It is updated every night from U OF I DIRECT data.
- Cross-referenced information: Every course is linked to more complete course descriptions found in the on-line *Courses* catalog.
- Helpful information: Supplemental information is available, e.g., links to a campus map showing class locations.
- You can search it via an easy-to-use index.

The WWW *Timetable* can be viewed on the network by using a browser program on a PC, Mac, or Unix system. Some common browsers are NCSA Mosaic, Netscape, or Lynx. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

http://www.uiuc.edu/admin_manual/Courses/time.top.html

A document explaining in greater detail how to view the WWW *Timetable* may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW Timetable on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The WWW browsers are available on all CCSO site computers, so you may view the WWW *Timetable* at any CCSO site.

U OF I DIRECT Network ID and Password

To access U OF I DIRECT, you will use your Network ID (formerly "ph-alias") and password. All UIUC students are assigned a Network ID and password when they are admitted to the University. Earlier, continuing students received a letter from the Computing and Communications Services Office (CCSO), mailed to their local address, reminding them of their Network ID and password. If you did not receive this mailing, please contact CCSO Account Services (1420 DCL, 333-6760). You are encouraged to change your password periodically to maintain the security of your Network ID.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let anyone use your Network ID and password. The importance of your password is much like that of a bank card PIN -- ALWAYS protect the privacy and security of your password.

You may change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and Password" is also available at these sites. It describes the procedure you use to change your password. Additionally, if you forget your password, you may go to one of the following three sites to have it reset so you can resume using your Network ID.

- English Building—Room 8
- Undergrad Library—Northeast corner, upper level
- CCSO Resouce Center—1420 DCL

These sites will provide this password reset service between 8:00 AM and 5:00 PM Monday through Friday, from February 15 - April 26, 1995.

Throughout the year, staff at the CCSO Resource Center and the Office of Computing and Communications for the Social Sciences (212 Lincoln Hall) can assist students, faculty, and staff in resetting their passwords. This service is available from 8:30 AM to noon and 1:00 PM to 5:00 PM, Monday through Friday.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL; 244-1258).

☑ U OF I DIRECT *Registration Checklist*

☑ Have Your U OF I DIRECT Registration Materials

To register for courses using U OF I DIRECT you need:

- Your Network ID (formerly ph-alias) and password
- Your Earliest Registration Time (ERT) from your Invitation to Register
- A copy of the *Timetable* of course offerings for the term
- U OF I DIRECT Schedule Planning Form (located in the back of the *Timetable*)

☑ Meet with Your Adviser to Plan Your Program of Courses (and Alternative Course Selections) for the Term

- Before your Earliest Registration Time (ERT), meet with your adviser to discuss your program of study for the term.
- Discuss with your adviser alternative course selections in case your first choice offerings are full or unavailable to you.
- Complete the Schedule Planning Form as a guide.

☑ Prepare for Enrollment Restrictions that May Be Placed by Departments

- **Courses with Prerequisites:**
  Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.
- **Courses with Restrictions:**
  Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, year in school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.
- **Independent Study Courses:**
  Individual study courses require the instructor's permission before registering. If you select an independent study course, obtain permission from the instructor **PRIOR TO** registering via U OF I DIRECT.
- **Consent Instructor/Authorization Required:**
  If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission **PRIOR TO** registering via U OF I DIRECT. ***Approval to register in AUTHORIZATION ONLY courses is entered into the U OF I DIRECT system on-line by the department offering the course. You, in turn, must register for the course using U OF I DIRECT.***

☑ Clear Advising Hold and Encumbrances

- If you have an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and in the U OF I DIRECT system.
- The advising hold must be cleared on-line by your college or department before you can register using U OF I DIRECT.
- An encumbrance should be resolved as soon as possible, but will not block your access to U OF I DIRECT registration until after your Official Class Schedule has been mailed to you, approximately three weeks prior to the first day of instruction for the term. **If you have an encumbrance on your record as of 5:00 PM on the first day of instruction, your course registration for the term will be cancelled.**

☑ Use a Computer on Campus (or via Modem) to Register

- With the foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable)* as a guide to register in courses via U OF I DIRECT. There are multiple points of access to U OF I DIRECT conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.

☑ Register for a Complete Schedule

- You are advised to register for a complete schedule of courses for the term as soon as possible following your Earliest Registration Time (ERT).
- Although additional seats may become available in a few courses, and additional sections may be added to some courses prior to the start of the term, you should **not** delay completing your schedule based on the assumption that seats will eventually become available in courses which have closed.
- Your best availability of course offerings will be as close as possible to your ERT. Seize that opportunity.
- Complete a workable course schedule early, even if every course is not your first choice.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at Window 25, 100 Henry Administration Building, or at your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered.
- If you have not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.
- If you are a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to Window 25, 100 Henry Administration Building, to complete registration.

Registration Charges, Payments, and Refunds

Waivers and Exemptions

If you receive a **waiver**, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are **exempt** from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Range IV, (law students Credit Ranges III & IV) you may obtain the benefits of the service provided by making individual arrangements. (See "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is presented at the back of this *Timetable*.

If you believe that you qualify for any of the waivers or exemptions, consult the staff at Window 25, 100 Henry Administration Building.

Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and your class, curriculum of enrollment, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. Among undergraduates, there is a further differential between students in the lower (0-59.9 semester hours) and upper (60 semester hours or more) divisions. Undergraduate nondegree students are assessed at the upper-division rate. All students enrolled in engineering, chemical and life sciences, and art, architecture, and music curricula are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at UIUC campus rates.

Information about tuition rates for students in twelve-week summer session courses, flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at Window 25, 100 Henry Administration Building, or by calling (217) 333-0210.

Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials.

To request a change in your residency classification, obtain a petition at Window 25, 100 Henry Administration Building. You must submit the petition within twenty days of either the first day of instruction or the day you register, whichever is later. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the term. Telephone (217) 333-0210 for additional information.

Fees and How They are Determined

The fee schedule is fixed by the University Board of Trustees and is calculated on the basis of the number of semester hours or units of credit for which you are registered. Fees to be assessed are:

General Fee: Supports certain fixed costs of fee-supported buildings (IMPE, Ice Arena, Assembly Hall, Illini Union, etc.) on campus.

Service Fee: Supports salaries, programming, general expenses, and utilities for campus auxiliary service units such as the Illini Union, the Assembly Hall, and Campus Recreation. *(Students exempt from this fee because they are registered in Credit Range IV (law Credit Ranges III and IV) may obtain the services by paying the fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, June 27, 1995).*

Health Service Fee: Supports salaries, programming, general expenses, and utilities for McKinley Health Center and the Counseling Center. *(Students exempt from this fee because they are registered in Credit Range IV (law Ranges III and IV) may obtain the services by paying the fee at the McKinley Health Center Business Office no later than 4:00 PM, June 27, 1995).*

Health Insurance Fee: Covers the cost of premiums to the insurance carrier and the cost of administering the program.

Transportation Fee: Supports a campus and community busing plan for students. *(Students exempt from this fee because they are registered in Credit Range IV (law Credit Ranges III and IV) may obtain the services by paying the fee at the Division of Campus Parking by no later than 4:00 PM, June 27, 1995).*

Krannert Fee: Supports productions at the Krannert Center for the Performing Arts. *(Students exempt from this fee because they are registered in Credit Range IV (law Credit Ranges III and IV) may obtain the services by paying the fee at a cashier's window in 100 Henry Administration Building by no later than 4:00 PM, June 27, 1995).*

Flight Training Fee: Charged each student enrolled in flight training courses in addition to regular tuition and fee registration charges; based on the nature of each course.

SORF: Refundable for Term 2; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations.

The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

Summer Term 1

Payment will be due by noon May 23. If your statement does not arrive by May 19, go to Room 124 Henry Administration Building and request a duplicate statement. IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS. You may make payment either by U.S. mail, in registration drop boxes, or in person at a cashier's window in 100 Henry Administration Building.

If you register on May 16 and thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

If you register on June 21, or thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

Payment Instructions

- Use the special registration drop boxes to return your payment. Do not use campus mailboxes.
- Allow five days for delivery if you remit by U.S. mail.
- Do not send cash either through the mail or via the drop boxes.
- If you must pay in cash pay at a cashier's window in 100 Henry Administration Building.

- ***Where Can I Make Payment?*** If your payment deadline is noon, Tues, May 23, for Summer Term 1, and noon, Tues, June 20, for Summer Term 2, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

  Special registration drop boxes for payment of registration charges will be available until noon, Tues, May 23 for Term 1 and noon, Tues, June 20, for Term 2, at the following locations:

  - Henry Administration Building (east and west entrances)
  - Illini Union (southwest entrance)

- ***Can I Pay by Installment?*** An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. **This privilege is not extended to registration in extramural, correspondence, and summer Term 1 courses, or to students to whom the privilege has been denied.**

  Charges for Term 2 are collected in two installments; the first payable by the due date shown on the original statement, and the remaining installment payable in July.

  A one-time finance charge of 1 percent of the total amount deferred, or $2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

  If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

- ***What If I Don't Make Payment by the Due Date?*** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a $25 (amount subject to change) registration late payment charge that will be billed to your student account.

  A delinquent service charge of 1.5 percent or $2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

  If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

- ***Special Warnings about Payments.*** A penalty of $15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiering because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

  Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage. The fee for the plan is assessed along with other tuition and fees; coverage is worldwide and extends, including breaks, from the first day of the semester or summer session to the first day of the following semester or summer session. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is a available at the Student Insurance Office at 807 S. Wright, Suite 480, Champaign, IL 61820; (217) 333-0165. See below for information and instructions regarding fee exemption, dependent coverage, etc.

Summer Term 2 Semester Health Insurance - Enrollment Change Period:

- June 7 to noon, Tuesday, June 20, 1995, at the registration Service Center, Room 138, Henry Administration

All of the following student insurance related activities MUST BE HANDLED IN PERSON by the student or his/her representative. The student's University student ID card is required. Requests for changes mailed to the Student Insurance Office or included with tuition and fee payments made by mail will be returned without action and could result in missing the deadline.

Health Insurance for Spouse and/or Children

- Must be applied for during change period identified above.
- Dependent coverage becomes effective on of the date of application and receipt of premium or the beginning date of the semester for which coverage is being purchased, whichever is later.
- Dependents insured the prior semester will have no lapse in coverage provided the application and premium are received by the last date above.
- Dependents acquired (marriage, birth, entry into U.S.) after the above enrollment period may be added to coverage provided application is made and premium paid within 31 days of the eligibility date (date of marriage, birth, or entry into U.S.). Coverage becomes effective on the date of eligibility. Payment of a full semester's premium for the semester in which the eligibility date occurred is required.

Coverage Extensions beyond Last Semester Enrolled and Insured

- Insurance coverage ends on the beginning date of the next semester/summer session, however, it can be extended for the next school period. For example, if you were a student and insured for spring and will not be a student in the summer, coverage will not continue through the summer unless you elect to purchase a summer extension.
- Extensions for Summer Term 2 may be purchased beginning April 15, 1995 at the Student Insurance Office (807 S. Wright Street) or at the Registration Service Center, Rm 138 Henry Administration Building from June 7 through noon, June 20, 1995. Extensions for fall may be purchased from July 15 through noon, Aug. 20, 1995 at the Student Insurance Office (807 S. - An exemption will automatically continue until reinstatement to the plan is requested (see Reinstatement below) or if you do not respond to a periodic request to confirm that you continue to be covered by another health insurance plan.

Reinstatement Conditions

- Apply within 31 days of the loss of other insurance; coverage is guaranteed and will be effective the date of application or date of other coverage termination, whichever is later. Proof of other coverage termination is required.
- Apply more than 31 days after loss of other insurance by providing evidence of good health. If approved, coverage is effective the date of application and will be subject to a pre-existing condition limitation for the first 120 days of coverage.
- A full semester premium is required regardless of effective date.

Refunds

Reduction of Program Range

If you reduce your course enrollment to a lower assessment range (e.g. from Range I to Range II), you receive a refund of the full difference between the two ranges, provided the change is made by May 17, 1995, for Term 1 and June 6 for Term 2 . No refund is available thereafter. In the case of extenuating circumstances, such as medically documented serious illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student.

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline.

Refunds

You may be released from your obligation to pay all tuition and fees by canceling your registration by 5:00 PM, May 15, for Summer Term 1, and 5:00 PM, June 12, for Summer Term 2.

You may be released from your obligation to pay part of summer terms tuition and fees by:

- Withdrawing from the University by 4:00 PM, Wed, May 17, for Summer Term 1, and 4:00 PM, Tues, June 6, for Summer Term 2

- On-line by using U OF I DIRECT, no later than 5:00 PM on the first day of instruction of the term you wish to cancel.
- By submitting a request for cancellation of registration to the Office of Admissions and Records. The request must be received no later than 5:00 PM on the first day of instruction of the term you wish to cancel. Requests by mail should be addressed to the Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801.
- In person at Window 25, 100 Henry Administration Building, by 4:00 PM on the first day of instruction of the term you wish to cancel.

You may cancel your registration provided you have neither attended any classes nor received any related student services.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

Withdrawal from the University

To withdraw, you must follow established withdrawal procedures beginning with completion of a clearance form available from the office of the dean of your college.

To obtain a partial refund of registration charges paid, you must deposit a completed withdrawal clearance form at Window 25, 100 Henry Administration Building, no later than May 17, 1995, for Term 1 and June 6, 1995, for Term 2. No refund is available thereafter. In the case of extenuating circumstances, such as medically documented serious illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student.

If you officially withdraw within the refund period, you will be charged either the sum (rounded, if necessary, to the next even higher dollar) of

- 50 percent of the Service Fee, plus
- 50 percent of the General Fee, plus
- 100 percent of the Transportation Fee, plus
- 100 percent of the Health Service Fee, plus
- 100 percent of the Health Insurance Fee, or
- $30, whichever is greater

If you are exempt from any of the above fees, the nonrefundable charge will be reduced by the proper amount. If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if these fees were paid) until the first day of instruction for the next term. Use of intramural-physical education facilities and the bus services provided by payment of the Service and Transportation Fees is also pemitted.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

General Information

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. The University will not disclose information that it maintains as part of its normal course of business without the consent of the student. For complete information concerning record release and student access rights, refer to Rules 60 through 68 in the August 1994 *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*.

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a term. Forms may be obtained and filed at Window 25, 100 Henry Administration Building.

Personal Information

- The student's name
- Addresses
- Telephone numbers
- Date of birth
- Weight and height, if an athletic team member

Academic Information

- The student's name
- College
- Curriculum and major field of study
- Class level
- Dates of attendance
- Full- or part-time status
- Institutions previously attended
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Participation in officially recognized activities and sports

If a student has elected to withhold either personal or academic information, the University will respond to inquiries as follows: **"The student has instructed us not to reveal this information."**

If a student has elected to withhold both categories of directory information, the University will respond to inquiries as follow: **"There is no information available for any student by that name."**

Addresses are Important

Have you moved recently or since you were last enrolled? Be sure to keep the Office of Admissions and Records informed of your current address and telephone number. That way you will not miss receiving important registration, college, and related information.

Each student is responsible for maintaining in the Office of Admissions and Records the following current addresses:

- local address (for mailings sent during the term)
- permanent address (for mailings sent between terms)
- emergency address

You may update your address and telephone information on-line via U of I Direct.

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of $20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, or if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student.

You have the option to use your ID card as a University charge card, so it is important that you keep it secure. If you cannot find your ID card, go to the Campus ID Center immediately and complete a Lost/Stolen Property Report. Until then, you may be liable for unauthorized use of your ID card. That liability is limited to $50.00 and ends once you have completed the report.

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204 Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

Students with Disabilities

Students with disabilities who have not registered for services with the Division of Rehabilitation Education Services, 1207 S. Oak Street, and who wish to request accommodations for any or all of the classes in which they are registering should contact the coordinator for Student Services with the Division at 333-4602 (voice) or 333-1970 (TTD).

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report Form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited *by law* from enrolling in that or any subsequent term.

Summer Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in Summer Term 2 for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 6 semester hours or 1.5 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	**Undergraduates**	**Graduate Students**
Summer Term 1	3 or more hours	.75 units
Summer Term 2	6 or more hours	1.5 or more units
Half-time Students:		
Summer Term 2	3 to 5.5 hours	.75 to 1.25 units

Class Level:	
Freshmen	0 to 29.9 hours
Sophomores	30 to 59.9 hours
Juniors	60 to 89.9 hours
Seniors	90 hours and above

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiering, 162 Henry Administration Building.

The charge for an official transcript is $5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is $4 per copy. The charge for additional copies *ordered at the same time and sent to the same address or picked up* is $2 per copy.

Transcripts may not be ordered by telephone. They must be ordered at Window 25, 100 Henry Administration Building, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order.

It is the policy of the University of Illinois not to engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in the University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

Social Security Number

Your social security number will serve as your permanent student identification number. If you do not have a social security number, you should obtain one from a local social security office before coming to the campus.

Undergraduate Admissions—Terms 1 and 2

Admission as a Continuing Undergraduate Student

- If you are an undergraduate student enrolled at the University of Illinois at Urbana-Champaign, and are eligible to continue in the same college, you need not apply for admission to either Term 1 or Term 2.
- If you are an undergraduate student enrolled at the University of Illinois at Urbana-Champaign, were dropped for academic reasons at the end of the 1995 spring semester, and desire to continue in the 1995 summer session only as a nondegree student, you need to submit a petition for enrollment to the dean of the summer session. If you wish to be reinstated in a degree program for fall semester 1995, you must petition the college of desired enrollment. No application will be necessary.
- If you are an undergraduate student dropped for academic reasons at the end of the 1995 spring semester and seek reinstatement to the same or a different college for the 1995 summer session, you must file a petition for reinstatement with the dean of the college in which you desire to enroll; if reinstated, successful completion of the summer session will allow you to continue in the 1995 fall semester.

Admission as a Nondegree Student

Your application for admission as a nondegree student for either Term 1 or Term 2 should be submitted to the Office of Admissions and Records as soon as possible after February 1.

You may apply for admission to either Term 1 or Term 2 by submitting an *Undergraduate Nondegree Application for Admission* under one of the two following options:

- If you submit the required credentials, you may be approved for admission as a nondegree student in one of the undergraduate colleges. Successful completion of the summer session will permit your continued enrollment as a nondegree student in that college for the fall semester, subject to regular nondegree enrollment restrictions. Enrollment for nondegree students in the continuous enrollment pattern is limited.
- University employees and residents of the community who wish to enroll in courses that are offered only at the University are given continuous nondegree admission priority. **For this option it is important that you apply by April 30.**
- You may be considered for "summer session only." Admission as a nondegree student for "summer session only" does not permit enrollment for fall or spring semesters without submission of a new application for admission. You may enroll for future summer terms as a nondegree student by using the U of I Direct registration system through your final authorized term assigned at the time of your initial admission.

To be considered for degree-status enrollment, nondegree-status students must apply for admission.

An undergraduate who wishes to take 400-level courses must submit a petition to the Graduate College. If you have completed a baccalaureate degree at an accredited institution, you may choose to submit a Graduate Nondegree Application for Admission. See the Graduate Admissions section of this *Timetable*.

The same grading system is applicable to nondegree and degree status students. Credit earned on nondegree status will not be applicable to a degree at the University of Illinois at Urbana-Champaign except by subsequent admission to degree status and, at the graduate and professional levels, successful petition for application of such credit to the degree.

Admission as a Degree Candidate

If you are a beginning freshman, or transfer applicant who wishes to be admitted to Term 1 or Term 2 and continue as a degree candidate in the 1995 fall semester, you must meet the same admission requirements as a student applying as a degree candidate for fall semester 1995. You should be aware that for most fall terms admission spaces have been filled far in advance of the summer-session-only application deadline. Application materials and information on programs open for fall admission can be obtained from the Office of Admissions and Records, either in person at 177 Henry Administration Building, or by writing to the Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801, or by calling (217) 333-0302. Be sure to indicate on the application form that you are applying for admission in June to continue in the fall.

Detailed admission requirements and application procedures for all undergraduates are contained in the publication *1995 Undergraduate Admissions Information* included in each application packet.

If you apply and are approved for admission in summer to continue in the fall, you will receive a Notice of Admission that is valid for the summer and fall sessions; should you subsequently decide not to enter in June, but still desire to register in the fall, the same Notice of Admission is valid. If approved for fall semester 1995 admission, you may register for the summer session by advising the director of admissions and records of your intention no later than May 13, 1995: your Notice of Admission will be changed from fall to summer-to-continue-in-the-fall.

Re-Entry as a Degree Candidate

Former students contact the college in which they wish to enroll to obtain their Earliest Registration Time (ERT) and an extension of the final authorized term if necessary. Students on "academic drop" status when they left the Urbana-Champaign campus must petition for re-entry to the University in either their former college or another college at the Urbana-Champaign campus.

Graduate Admission to Term 2

Application Information

Graduate admission applications should be obtained from your intended department. For information, and to obtain the address and telephone number of your intended department, write or telephone the Office of Admissions and Records, Graduate Admissions, 10 Henry Administration Building, 506 South Wright Street, Urbana, Illinois 61801, (217) 333-0302. If visiting on campus, proceed to 177 Henry Administration Building for information.

If you have not been previously registered in the Graduate College, you must file an application for admission with the Office of Admissions and Records. The application must be accompanied by a nonrefundable application fee of $30 ($40 for international applicants). Applicants wishing to be admitted either as candidates for degrees or as nondegree students within a department must provide official transcripts of all previous college study except work taken at the Urbana-Champaign campus.

Your application for admission as either a degree candidate or for nondegree status within a department must be received by the Office of Admissions and Records no later than May 20, 1995. Applications for admission as an unassigned student in the Graduate College for the 1995 Term 2 will be accepted through June 9, 1995. Call your intended department for details.

Admission as a Graduate Nondegree Student

You may be admitted as a nondegree graduate student for Term 2 under one of the following plans:

- If you submit the required credentials by May 20, 1995, you may be approved for admission as a nondegree student in one of the graduate departments. Such admission, accompanied by successful completion of the summer session, will permit your continued enrollment as a nondegree student in that department for either the 1995 fall semester under the continuous-enrollment pattern, or the 1996 summer session under the summer-session-only pattern if the conditions for the pattern are met.

- You may be admitted to the Graduate College (no specific department) as an unassigned student for the 1995 "summer session only" by submitting an application and some certification that a bachelor's degree has been earned. Applications for admission as an unassigned student in the Graduate College for the 1995 summer term will be accepted through June 9, 1995. Admission as an unassigned student will not allow enrollment in either the 1995 fall or the 1996 spring semesters, but registration in the 1996 summer session will be allowed without reapplication.

All nondegree students are required to apply for admission should they wish to become degree candidates.

Admission as a Graduate Degree Candidate

Deadline for receipt of application: Friday, May 19, 1995

Two enrollment patterns are available to a graduate degree candidate admitted to Summer Term 2.

- The continuous-enrollment pattern allows a continuing student to enroll on campus in the fall and/or spring semester.

- The summer-session-only enrollment pattern allows a student to register each summer through the final authorized term.

If you successfully completed the 1994 summer session but did not enroll on campus for either the 1994 fall or the 1995 spring semesters, you will automatically be considered a summer-session-only student, and you must petition for a change of enrollment pattern if you desire to register on campus for either the 1995 fall or the 1996 spring semesters. A change of pattern is not necessary in order to register in extramural courses for either the fall or the spring semesters.

If you are admitted and register as a degree or nondegree summer-to-continue-in-fall student during the 1995 summer session, you may continue on campus in the 1995 fall term.

Admission of Former Graduate Students

If you are a continuing degree graduate student who did not register in the 1995 spring semester returning to your former department or area of study prior to the expiration of your final authorized term of enrollment, you need only contact your former department for an earliest enrollment time.

An extramural student who has been admitted to the Graduate College with degree status and who has not exercised the campus enrollment option may register on campus without applying for admission. You must contact the Office of Admissions and Records to have an on-campus term authorization created.

A student previously enrolled in extramural courses who has not been admitted to the Graduate College with degree or nondegree status in conjunction with that extramural enrollment must apply for admission. Application procedures are the same as for new students.

Courses Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed for freshmen and sophomores) are numbered 100 to 199; for advanced undergraduates (designed for juniors and seniors), 200 to 299; for advanced undergraduates and graduates (junior, senior, or graduate standing required), 300 to 399; for graduates, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-10 MTWTh+ indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11 - 1230 TT+ means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, -730-930PM+ indicates that the class period begins at 7:30 PM and continues until approximately 9:30 PM.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable*.

Credit

Credit for undergraduate students is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate students is counted in units. A 1-unit course requires ten hours each week throughout a semester, irrespective of the distribution of that time in class work, laboratory work or fieldwork, and private study. Four such courses or their equivalent constitute a student's normal program for one semester. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or ½ to 2 units; in registering for a course with variable credit, each student indicates the number of hours or units for which he or she intends to take the course on the Program Request form.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Approval of the Graduate College must be obtained for the registration of undergraduate students in 400-level courses for semester hour or unit credit. Courses are current as of February 15, 1995.

The following list of courses is substantially correct; however, some errors and omissions might exist. Please refer to the main body of the *Timetable* and to the supplement for current information.

Summer in Honduras is at Escuela Agricola Panamericana (Zamorano) in Tegucigalpa, Honduras. This agricultural university has a strong learn-by-doing orientation and enrolls 700 B.S.-level students from sixteen Latin American countries. Their 15,000 acre working farm serves as an outdoor classroom and land laboratory. Illinois students can participate in a specially designed, twelve-week summer program made up of instruction, research, and practical experience that will develop a solid working knowledge of all facets of tropical agriculture. During the summer of 1994, a contingent of students from Illinois, Purdue, and Texas A & M were at Zamorano for this study-abroad experience. They gave it exceptionally high ratings in the evaluation. Due to this success, students from other U.S. universities will be invited to participate in the 1995 summer program. A conversational knowledge of Spanish is required for participation. (Credit: optional) Cost: $2,300 and airfare.

FINAL EXAMINATION POLICY, TERM 1

Instructors have the option of scheduling final examinations for Term 1 courses on the final day of class or on the day following the last day of instruction for that course. If final examinations are held on the day following the last day of instruction, departments must confirm space availability for the desired examination by calling the Office of Facility Planning and Management, 333-1231.

FINAL EXAMINATION SCHEDULE FOR 1995 TERM 2 EIGHT-WEEK COURSES[1]

FRIDAY, AUGUST 4, THROUGH SATURDAY, AUGUST 5, 1995

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of final examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such an appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chair of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

Examinations will be offered from 8:00-10:00 AM; 10:30 AM-12:30 PM; 1:00-3:00 PM; 3:30-5:30 PM; and 7:00-9:00 PM (see chart on next page). It is hoped this will provide a respite for students scheduled to take examinations during consecutive periods.

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and,
- has contacted the Office of Facility Planning and Management (333-1231) and has assurance that space is available in which to give the examination at an alternate time if approved.

No final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:

Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination for an individual undergraduate student.

Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination for an individual graduate student.

Place of Examination

The room to be used for a final examination will be normally the same room is which the class usually meets if

- the course meets on a regular sequence; and
- the examination is given at the time specified in the official examination schedule.

In late June, the Office of Facility Planning and Management will send a letter to departments requesting their additional space requirements. Subsequently, a final letter confirming room assignments will be sent to all departments.

Departments with eight-week courses meeting only one day a week for one or more hours must contact the Office of Facility Planning and Management (333-1231) to determine the availability of a room. In addition, departments with courses meeting at noon or 12:30 PM must confirm space availability for the desired examination times by calling 333-1231.

Length of Examination

The lengths of Term 2 final examinations—except by special arrangement in individual cases approved by the dean of the appropriate college—are:

- courses meeting one, two, or three days a week ..... one or two hours
- courses meeting four, five, or six days a week ..... two hours

A final examination for a course meeting for more than one hour in each session on two or three days a week is normally two hours in length.

Take-Home Final Examination

If a take-home final examination is assigned, it is to be submitted at the time and date of the regularly scheduled final examination. If instructors wish to depart from this practice, they must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

Evening Examinations

An evening final examination is authorized only for a class meeting regularly during Term 2 at 7:00 or 7:30 AM or after 4:30 PM; the evening hours for such examinations are specified in the official examination schedule. If feasible, the instructor of a course meeting at noon or 12:30 PM may use the evening period, but must reserve space through the Office of Facility Planning and Management, 333-1231.

[1] An examination for a first half-term course should be scheduled at the end of the first half-term period; second half-term final examinations follow the schedule shown on the next page. If a first half-term examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office of Facility Planning and Management, 333-1231.

Conflicts

- Certain professional examinations (e.g., national actuarial, state CPA, and the Architect Registration Examination) take priority over campus final examinations. An instructor must offer a makeup examination to a student who is scheduled to take one of these examinations and a campus final examination at the same time.
- A noncombined course examination has precedence over a combined-sections and a conflict examination.
- A combined-sections course examination has precedence over a conflict examination.
- A conflict not resolved by the above order of preference must be resolved by the instructor of the course having the larger enrollment offering a makeup examination, provided he or she is informed of the conflict by the student no later than the last official day of instruction in Term 2 (August 2).
- Departments offering combined-sections examinations must provide conflict examinations if needed to accommodate student conflicts.

Students Having More Than Two Consecutive Final Examinations

No student is required to take more than two consecutive final examinations. This means that if you take final examinations at 8:00 AM and 10:30 AM on the same day, you are not required to take another examination scheduled for 1:00 PM that day; likewise, if you take examinations at 3:30 and 7:00 PM on Friday, you are not required to take another examination at 8:00 AM on Saturday. If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling if you take the following actions *no later than the last official day of instruction in the term.*

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved.
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor MUST provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of instruction in Term 2 (August 2).

Discipline for Violations of Academic Integrity

Rule 31 of the August 1994 *Code on Campus Affairs and Handbook of Policies and Regulations Applying to all Students* covers procedures to be followed in cases of alleged cheating on final examinations.

Tuition and Fee Waivers and Exemptions

If you believe that you qualify for any of these waivers or exemptions, consult the staff at the Registration Services Office, Window 25, 100 Henry Administration Building.

For the purpose of this section, the four employment categories at this campus are defined as follows:

Faculty members include (1) those in the professorial ranks (i.e., professor, associate professor, assistant professor); (2) instructors and lecturers; and (3) teaching, research, and clinical associates. Various prefixes may be used in conjunction with these ranks, such as adjunct, clinical, visiting, or research.

Academic professionals are those employees whose positions have been designated by the president and the chancellor as meeting specialized administrative, professional, or technical needs. Academic professional employees receive an academic contract issued by the Board of Trustees for a term appointment. They are accorded the rights and privileges pertaining to other academic personnel except those that apply specifically to academic employees with faculty rank, such as eligibility for tenure.

Graduate student assistants include teaching, research, and clinical assistants.

Staff employees are those members of the University work force subject to the rules of the State Universities Civil Service System.

Tuition Waivers

Tuition will be waived if you are

This waiver also applies if you are an employee of a certain specifically identified related agency whose position is considered equivalent to an academic position of the University. (A *term* is defined as running from the first day of instruction through the last day of final examinations. *Three-fourths of a term* is defined as 91 days during a semester and 41 days for Term 2.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student clears for graduation within one week following the resignation date.
2. a graduate teaching or research assistant of the University on appointment for at least 25 percent but not more than 67 percent of full-time service. Your appointment must require service for not less than three-fourths of the term as defined above. If you are on appointment for 68 percent or more of full-time service, you pay tuition at the resident rate and are eligible for waiver of the service fee only. *(Caution: Assistantship appointments are cumulative: for example, if you hold a 25-percent and a 50-percent assistantship appointment, you are ineligible for a tuition waiver.)* NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.
3. a staff employee of the University, or of another institution or agency under the University Civil Service System, or of a certain specifically identified related agency in status appointment or in an appointment designed to qualify for status in an established class (e.g., trainee or intern) for at least 50 percent of full-time service, or a retiree and who registers in regular University courses not to exceed 11 credit hours or two courses in a semester or quarter if on full-time appointment, or 5 credit hours if on a 50-percent to 99-percent time appointment provided that you (1) meet conditions and eligibility for admission as prescribed by the Office of Admissions and Records; (2) are not a student as defined under 250.70f3 in the *Civil Service Handbook*; and (3) have the approval of your employing department for enrollment and a makeup schedule to cover any time in course attendance during your regular work schedule. (Staff employees whose total registration is in a higher range than that authorized by their tuition waiver pay only the difference between the waiver authorization and the higher range in which their total registration places them.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.

CITIBANK®
WE'RE LOOKING OUT FOR YOU.℠

GET THE BEST PRICE. ***Citibank Price Protection*** assures you will pay the lowest prices around on many purchases you make with your Citibank card.[3]

BE PROTECTED BY YOUR FACE. The ***Photocard*** option gives you added security from theft by putting your picture and signature permanently on the front of your card.

GET INSTANT CASH. In emergencies, you can use your Citibank card to get cash at over 170,000 ATMs and over 220,000 financial institutions worldwide.

FOLD HERE ↑

We encourage you to understand some important information about the Citibank Classic card.

Annual Percentage Rates	Currently (February 1, 1995) 17.90% for purchases. 19.8% for cash advances
Variable Rate Information for Purchases	The annual percentage rate for purchases may vary each calendar quarter. We will calculate the variable rate by adding 9.4% to the rate disclosed as the U.S. Prime Rate reported in *The Wall Street Journal* on the third Tuesday of March, June, September and December of each year. Because the annual percentage rate is variable, the current rate may not be in effect when your card is issued. The rate will not be lower than 12.9% or higher than 19.8%. However, if a cardmember fails to keep all his/her Citibank accounts in good standing, the rate will increase to 19.8% on the full purchase balance.
Annual Fee	None
Grace Period for Repayment of Balance on Purchases	20-25 days
Minimum Finance Charge	50¢
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Transaction Fee for Cash Advances	At a financial institution or by check, 2% of amount of advance but not less than $2 or more than $10. At an Automated Teller Machine, $1.75.
Late Payment Fee	$15
Over-the-Credit-Limit Fee	$10

By signing this application, I authorize Citibank (South Dakota), N.A. ("you") to check my credit history and I authorize any references listed to release information to you or any of your affiliates regarding my eligibility for the Citibank credit card and any renewal or future extension of credit. If I am issued a card, I authorize you to exchange information about how I manage my account with Citibank affiliates, credit bureaus and proper persons.
